

A Big *Thank You!*

## to Tuscany Tavern for Your Help in Rotary's Fight to Eradicate Polio!

Rick Egloff and his team at the Tuscany Tavern donated proceeds from last Sunday's restaurant receipts to Rotary International's fight against polio.

Every Tuscany customer on Sunday either donated to the cause directly and/or through enjoying a great Italian meal at The Tuscany.

Members of the Evergreen Rotary Club were on hand to educate customers about this devastating disease and what Rotary International is doing to entirely eradicate polio.

The day was a great success and Rick and his team have agreed to do it again next year!

***As long as Polio exists in the world, our children are at risk for it to again become a world-wide disease. Rotary will keep fighting Polio until it is eradicated from the Earth!***
