

# Evergreen Rotary Grant Adds a New Instrument to the Rotary Musical Park

BY TIM GRACE

Thanks to a grant from the Rotary Club of Evergreen, there is a new instrument in Stagecoach Park in Evergreen. 'Lily pad symbols' have been added to the other instruments that make up the Musical Park, which was originally installed with a \$30,000 Rotary grant in 2014. The park continues to be wildly popular with children of all ages.

Kay LaMontagne-Treworgy, whose idea it was to bring the Musical Park to Evergreen, was again responsible for seeking an additional \$3,000 grant to add the new instrument. The Rotary Music Park is one of several legacy projects that the Evergreen Rotary Club has funded as a gift to the Evergreen community.
